Mr. Paul McConville
President
Event Payment Services
2855 Anthony Lane South, Suite 130
Minneapolis, MN 55418

Dear Paul,

On behalf of the Handel and Haydn Society, I wanted to thank you for the exceptional service you provided us with our 2008 Gala Benefit & Auction. This was our first time using Event Payment Services, and everything with extremely smoothly, from the initial set up and training, to credit card processing.

The Terminal Operations and Reference Guide was very helpful and complete. The Smart card application made the process even easier. When I did run into a glitch with one credit card payment, you talked me through the whole procedure and then found the solution. Being able to access our payment statements on line is also a great benefit. This really was the most stress-free event that I have overseen.

I would strongly recommend your services and products to other organizations. And, I certainly plan to use EPS for our event next year.

Thank you again for helping to make our event the success that it was.

All best wishes,

Michael E. Jendrysik
